

UAM/ FIM-ASIA & FIM-OCEANIA CHAMPIONSHIPS MISSING DATA

Some early and some recent championship results are missing. FIM-Asia published a Yearbook in 2010 (cover photo on Facebook), are there other Yearbooks? If anyone has these missing championship standings, possibly in Yearbooks, it would be much appreciated if they could be sent to:

Any help will be greatly appreciated and acknowledged. It is surprising that relatively recent results (2014/ 2016) are very difficult to find. FIM-Asia informed me that results are on Facebook – only the 2015 results were there.
